

SPONSOR A CLASSROOM PROGRAM 2024-2025

Dear Corvallis Schools Friend,

Once again, we would like to present a sponsorship opportunity for community members and businesses to impact the lives of teachers and students in the Corvallis School District. PAWS Classroom Sponsors help ensure that teachers can fulfill their greatest classroom needs and STEAM learning is enriched.

The PAWS Classroom Sponsorship Program has been successful thanks to generous donors like yourself. ***Our 2024 goal is to provide 70 Classroom Sponsorships!***

Your tax-deductible sponsorship of \$250 will help finance classroom needs for a grade or curriculum (such as classroom special projects, supplies, or a grade-wide field trip), STEAM (science, technology, engineering, art, and mathematics) projects, and teacher appreciation.

- Examples of classroom needs include classroom special projects, supplies, student incentives, or a grade-wide field trip.
- STEAM programs at the Primary, Middle, and High School Classroom Without Walls curriculum provide opportunities for direct hands-on learning of STEAM (science, technology, engineering, art, and math) principles. Past examples include Animal Wonders, field trips to the U of M planetarium, electric circuit boards, sheep eyeball dissection, monitoring of water, soil and snow, fish surveys, and much more.
- Teacher Appreciation funding is a way to thank those who help educate Corvallis students.

Classroom Sponsors will have their name/company name displayed near the school offices and district office for the entire school year and receive recognition on the CSF website & Facebook page.

To become a Sponsor, please complete the included sponsorship form with grade/sponsorship preference and return it with a check to Corvallis Schools Foundation, 1151 Eastside Hwy, Corvallis, MT 59828. The PAWS (Parents at Work in our Schools) group is part of the 501(c)3 non-profit Corvallis School Foundation. Tax ID 81-0516863.

We hope that you can see the benefits of past sponsorships and we would greatly appreciate your contribution to this year's sponsorship program.

Thank you for your support,

Corvallis Schools Foundation

Have questions: Primary school contacts Rachael Watters @ 406-529-3984, Middle School and High School contact Mara Allen @ 805-490-7910. Thank you for supporting our schools!
